

G. Albert Storz becomes part of Rudolf Storz GmbH

Rudolf Storz GmbH from Emmingen-Liptingen has integrated the company G. Albert Storz (Wurmlingen, Germany) into the organization. Rudolf Storz is thus expanding its range of products.

"G. Albert Storz is a healthy company with strong strengths. By taking over the product range, we can further expand our product portfolio," says Olaf Storz, owner of Rudolf Storz GmbH.

Ulrich Binder, owner of G. A. Storz, is pleased about the successful sale of his company. "We have found an optimal solution for my successor and for our employees. Our family-owned company, which has 130 years of experience in the field of medical technology, will be continued under a different name, the know-how will be retained and the jobs will be secured."

"From January 2021, we will gradually integrate the individual divisions of G. A. Storz. Ulrich Binder will provide us with advice," explains Olaf Storz.

The products from G. Albert Storz (Gast Instruments) will be available in the Rudolf Storz product portfolio from 2021 onwards.

It includes a large number of instruments for the ear, nose, throat (ENT) – area. The mouth gags are an especially interesting addition to the Rudolf Storz product program.

- Mouth gags with tongue blades
- Mouth gags
- Tonsillotomes
- Tonsil snares (ear and nose polyp snares)
- Tourniquets, Stylets
- Adenotomes

We will send additional information to our customers in the new year.
